Mr. J. B. Bennett
St. Johns.

Dear Sir:

I beg to make
at least a mild protest against the passing
for military service of some young men
from St. Albans Bay's parish. The following
have sprung from families infected with
tuberculosis:

Lawrence Collier (Chas. Smith)

Patrick Collier (Samuel Cox)

Wm. Collier. I predict that those

chaps will very soon be subjects for a panatomin.
They are all very ill now and it seems to me
akin to man slaughter to hold such men in
the military ^{service}. We who know the history of
those families are filled with astonishment
that such subjects should pass the Medical
Board. yours sincerely

(Rev.) S. St. Croix

Reference attached correspondence concerning above
noted men. Four of them are at present in the M.I.D. Hospital
suffering from colds. They were admitted to M.I.D. from Barracks
Hospital 8th October except G. Collier who was admitted on the 24th
October after 15 days in Barracks Hospital.

The only apparent thing wrong with them was a slight
increase in Temperature at night time but they are all masked as
"Improving" at the M.I.D. Hospital. There is nothing in the Medical
Report to show that they are suffering from tubercular trouble.

6229 Pte. Lawrence Collier has been on duty since he
enlisted and has not reported on any sick parade. There is another
man of the same name, from the same place who was in Barracks Hospital
3 days with a slight temperature but he has been discharged to Duty.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
