DEPARTMENT OF

THE COLONIAL SECRETARY
ST JOHN'S, NEWFOUNDLAND

August 22nd, 1929.

Dear Sir,

I beg to forward herewith letter under date 7th instant from the High Commissioner's Office, London, notifying that recently the remains of ten bodies have been discovered within Beaumont Hamel Park. Some of these have been identified, but others have been so meagre in regard to recognisable effects that identification has not been possible. With the letter I send you a cardboard box containing the effects that were found on certain of the unidentified bodies. It is desired that you will, by searching your records, by consulting the G.W.V.A., and by making enquiries either publicly or privately, endeavour to ascertain the identity of these bodies. Kindly take up the matter without delay and make your report to this Office in due course.

Yours sincerely,

Deputy Colonial Secretary.

Major J.M. Howley,
Militia Archivist,
City.

T.

August 26th, 1929.

Sir,

I beg to advise you that I am just in receipt of a message from the High Commissioner's Office, London, to the following effect, namely:-

"Caretaker Beaumont Hamel reports finding
"twelve more bodies Newfoundland soldiers in
"Park believe have identified 1845 Private George
"Winsor 1054 Private Arthur Driscoll certain
"other effects recovered which will be forwarded
"later with official report after investigation
"by War Graves Commission and this Office."

I do not think it wise to make this information public at the present juncture as the Authorities are not certain themselves as to the identification of the two bodies named in the message, and it would be probably safer to reserve publication until the matter has been confirmed. We shall doubtless have a letter in due time from the High Commissioner's Office regarding the matter, with further particulars.

I have the honour to be,
Sir,
Your obedient servant.

Deputy Colonial Secretary.

Major J.M. Howley,
Militia Archivist,
City.
