Dear Sir:-

Will you please oblige me by sending to me the full particulars of the death of No 5967 Pte. Charles Fudge who died at the Military Hospital, St. John's from Pneumonia after Measels.

Pte. Fudge was taken into my home at the age of 7 yrs. and apprenticed until he arrived at the age of 21 yrs. But he left us at the age of 19 to go to the War. One may almost say he was more to me than to his

Mother, so naturally I would
like to know all particulars
of his death, by doing so you
will be doing a great favor to

Yours Sincerely

Dear Mrs. Keeping,

I beg to acknowledge receipt of your letter of the 12th inst., in which you ask for full particulars with regard to the death of #5367 Pte. Chas. Fudge. The particulars of Pte. Fudge's illness and death are as follows:— He was taken ill with Measles, and later contracted Pneumonia. He was admitted to the Military Hospital, St. John's, on June 4th, and a few days afterwards, became dangerously ill. His illness with Measles had weakened him considerably, and he was unable to fight the Pneumonia. He died at 3.40 o'clock on the morning of June the 11th. Needless to say he received every possible attention during his illness, and everything possible was done by the nurses and doctors.

These are all the particulars available to us, and I hope they will prove satisfactory.

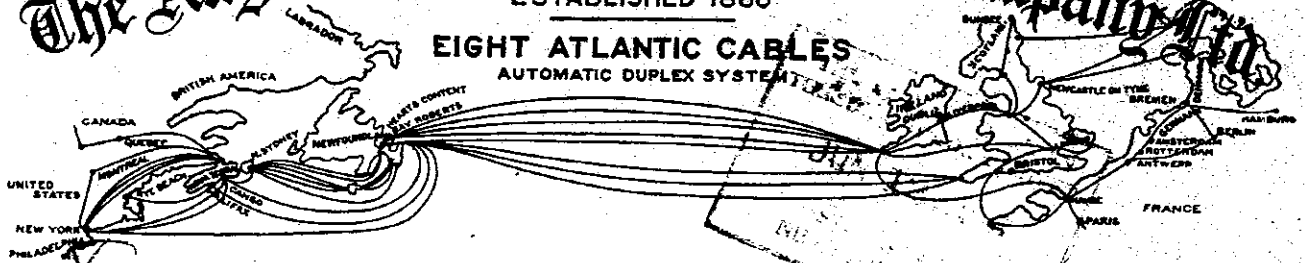

Yours faithfully,
