All Messages Sent are Subject to the Following Conditions:

The Management may decline to forward the Message, though it has been received for transmission; but in case of so doing shall refund to the Sender the amount paid for its transmission.

In case the Message shall never reach its destination by reason of any neglect or default of the N. P. T. or its Servants whilst the Message remains under the control of the N. P. T., they will refund the amount paid by the Sender for such Message.

The N. P. T. shall not be liable to make compensation beyond the amount refunded as above for any loss, injury, or damage arising or resulting from the non-transmission or non-delivery of the Message, or delay or error in the transmission or delivery thereof, howsoever such transmission, non-delivery, delay, or error shall have occurred.

The control of the N. P. T. over the Message shall be deemed to have entirely ceased for the purposes of these Conditions at any point where, in the course of the transit of the Message to its destination, it may be entrusted by the N. P. T. (and the N. P. T. shall have full power so to entrust the Message) for further transmission by or through any system, service, or line of Telegraph belonging to or worked by any administration or authority not controlled by the N. P. T. exclusively, although worked as part of or in connection with the Telegraphic system or service of the N. P. T.

I request that the following Telegram may be forwarded according to the foregoing Conditions, by which I agree to abide.

Medical Report on an Invalid

NOTES :

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety—"perhaps," "possibly," "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.
