Dear Mr. Twiner,

I deeply regret to inform you, your son 2030 Cpl. H. Twiner passed away in Lazarette here on Jan'y 7th/18. He was wounded in the Cambrai affair, taken prisoner, and brought into hospital here about four weeks ago. He was attended by English R.A.M.C. Orderlies and the German Medical Staff, from whom he received every attention. The English Help Committee here also sent across what invalid comforts, we have in hand, we realize the value of life, and so work with a will. Our efforts however were unavailing, we laid him to rest in a quiet little Cemetery outside Camp, in the sure hope of his final resurrection to eternal life, where war and sin will not be known; but love be King of all. May the Great Father give to you his Peace and Blessing, and help you to bear this trial knowing that he died a death, worthy of an Englishman, patient and uncomplaining.

God Bless you all

Yours faithfully,

(Signed) G.W. Vickers,

P.S. Any Private property he may had, would be handed to the German Officers.

WAR OFFICE,

6091

W.W/19/8585.

The Officer i/c Records,
Headquarters,
British Troops in France and Flanders.

I have received an enquiry for the location of the grave of 35655, Rifleman F. C. Hawtin, of 13th Battalion, King's Royal Rifle Corps, who is stated to have been killed in Action 23rd April 1917.

The grave has not been registered in this office, and I shall be much obliged if you can give me any information (if possible, a map reference) which might assist in locating it, or failing this a map reference of the place where he was last seen.

In the event of this Battalion not having buried him, it will assist if you can say by what Unit it was relieved, or by what Unit the burial may have been effected, and obtain from them any available information.

This enquiry is addressed to you as the Officer Commanding is unable to give the required information.

Major,

for Major-General,

Director-General of Graves Registration and Enquiries.
