Chief Paymaster & Officer 1/c Records.
Descriptive Return of a Soldier discharged on account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital. Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the person responsible when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Chelsea Hospital, London, S.W.1.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

† Delete this word if no exceptions are to be made.
Opinion of the Medical Board.

Notes.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man’s claim to pension.

(ii) Expressions such as “may,” “might,” “probably,” &c., should be avoided.

(iii) The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a) State whether the disability is clearly attributable to—
   (i) Service during the present war;
   (ii) Climate;
   (iii) Ordinary military service;
   (iv) Want of proper care on the man’s part, e.g., intemperance, misconduct, &c.; or
   (v) Whether it is constitutional or hereditary.

(b) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board’s opinion, he should be assessed for pension purposes at present?

   Degrees of disablement should be expressed in the following percentages—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—
   (a) Discharge as permanently unfit, or
   (b) Discharge to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopedic training) is desirable in a—
   (a) Sanatorium;
   (b) Hospital;
   (c) Convalescent home;
   (d) Asylum; or
   (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

Dear Art:

Your letter to Capt. Howley has been referred to me, and I wish to say that we are unable to have your badge before you go, but if you will notify me as to your address in Canada when you arrive there, arrangements will be made to have you boarded there, so you see you will not be inconvenienced in any way.

I regret that because of the fact you did not apply for a discharge badge, one has not been engraved for you, however, I have arranged to have one done as early as possible and hope to have it ready before you part for Canada. When you know at a later date the exact time of your departure, kindly let me know, so that I will know exactly where to send your badge when it is received from the jewellers.
I hope your injuries are much improved now from when I saw you on the train, and that you are enjoying good health generally.

I wish you the best of success and prosperity in your future home.

Yours sincerely,

Lieut.
Capt J M Hawley

Dear Sir,

I understand that I am to have a re-examination “Medical” in Act next now I intend going away to “Canada” probably, this month. Would it be possible for me to have that exam early this month? If so kindly inform me as to where & when. By doing so you will greatly oblige.

Yours Respectfully

A Weber

ex-sergeant RNR

P.S. Can you also oblige me with a “discharged badge”, as I have not received one yet.

Mr. Arthur Webber,
43, Livingstone Street,
HALIFAX, N.S.

Dear Sir:

I have your letter of Sept. 30th, and have notified the Medical authorities of your change of address.

With regard to your Discharge Badge, I am expecting it from the Jewellers in about a week, and just as soon as it is received, I will immediately forward it on to you.

I quite appreciate your position up there without a badge, as I am aware of the restrictions, but if anyone at any time holds you up for a deserter, I would show them my Discharge papers, and if that is not satisfactory show them the M.M. and I.B.M.

Yours faithfully,

Lieut.
Lieut H.M. Maddick,

Dear sir & friend,

The above is my present address, I will be for some time. So when the time comes for my next Medical Board, you'll know where to find me. If that discharge badge is finished, you would oblige me greatly by sending it on. As the authorities here are very strict, I not wishing to be pulled up for a deserter, I think the wearing of a badge is quiet necessary. It will prevent any trouble that way. Trusting sir, you will do me this favor.

I remain obediently yours,

A Webber.
